MAHOGANY

Benchmark Stain Grade Swing style, 4 mullioned lites with 2 V-groove panels

BENCHMARK SG

Our Benchmark SG brings together beautiful, natural premium Meranti mahogany and innovative construction techniques to provide popular design possibilities that will enhance your home's curb appeal and architectural charm.

Popular Carriage Door Styles

Benchmark SG is available in Swing and barn styles to complement many types of architecture.

Standard and Custom Sizes

Specify your door size to fit new construction or your remodeling needs. Single and double doors are available.

Elegant Panel Styles

Choose from standard panels options.

Simulated Divided Lites

Our simulated window grilles provide an opportunity to mimic your homes existing architecture as well as to create something new.

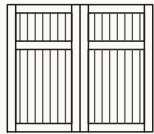

Finishes for Maximum Durability

Our new Benchmark SG is an exceptional value in a stain grade door. It can be factory finished using our beautiful EnduraFinish stain colors, a 'smart choice' option. Other finish options include finishing it in the field, factory applied primer or factory applied paint.
