ELEVATING THE GARAGE DOOR

DUET

VINYL AND STEEL GARAGE DOORS

The Duet series brings together durable vinyl panels and trim with a sturdy steel frame for the ultimate in affordable sophistication. These garage doors are carefully built by hand in our factory, ensuring architectural excellence of the highest quality.

Elegant Design. The sleek, uniform appearance of the Duet series makes it perfect for homes of every style. It's an ideal choice for any homeowner looking to add curb appeal to their residence.

Energy Efficient. With an R-value of 8.2, the Duet offers good insulation value and minimizes solar heat gain for energy-conscious homeowners.

Standard and Custom Sizes Available. Specify your door size to fit new construction or your remodeling needs. Single and double doors are available to fit any home.

Decorative Hardware. All of our attractive door accessories are compatible with the Duet series.

Low Maintenance. The Duet pairs high-quality vinyl panels with a smooth steel frame. It's easy to clean and resistant against decay, moisture, rotting, and insect damage.

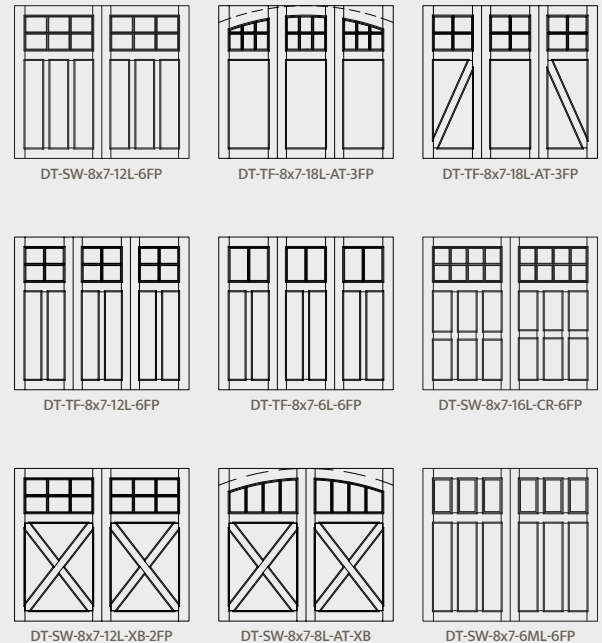

Debris & Dust Resistant. The faces of the steel frame are coated with a vinyl laminate and topped with profiled edge vinyl trim boards. This innovative design repels debris and dust, so the doors always look clean.

DUET DESIGNS

Duet is available in standard and custom sizes in swing and trifold styles. Here's a small sampling of popular doors. Contact Artisan for additional possibilities and design help.
