CUSTOM DOORWORKS

Everyone will believe it's wood. Whether you paint or stain it.

Artisan's Benchmark Composites: The Real Beauty of Wood- The Rich Look Without the Constant Care.

Composite wood garage doors combine the rich look of real wood with the minimal maintenance of composite. They're also naturally weather-, insect-, and rot-resistant, so they'll look brand new for years to come. Artisan sets the standard. Then, offers up three stellar versions of that Benchmark.
