CUSTOM DOORWORKS

BUILT TO ENDURE. DESIGNED TO INSPIRE.

Proven Performance

Engineered with TimberLife® Tricoya® at its core, ICON resists rot, swelling, and warping - backed by a 50-year limited material warranty.

Design Freedom

Choose from five matte finishes: White Pepper, Black Truffle, Sea Salt, Honey, Nutmeg.

Versatility in Style

From modern minimalism to classic curb appeal, Icon's wrapped finish complements a wide range of home styles, offering a bold and enduring statement piece of your garage.

Our Icon door combines timeless Artisan craftsmanship with advanced protection, giving you beauty, strength, and performance that lasts for decades.

High-Tech Finish

Wrapped in a next-generation coating with 20-year finish protection and UV defense for at least 10 years.

Low-Maintenance by Design

No restaining. No topcoats. Just a gentle wash now and then to keep your Icon door looking like new.
