Bucks, Decorative Hardware.
Color: Dusty Mahogany.

A NEW WAY OF THINKING ABOUT WOOD.

What is Accoya®?

Accoya® is a high-performance wood engineered to last. Through an advanced, non-toxic modification process, it becomes more stable, more durable, and far more resistant to the elements than traditional wood.

Why It Matters

Traditional wood absorbs moisture - leading to swelling, shrinking, warping, and rot over time. Accoya® changes that.

It's designed to:

- Stay stable in all climates
- Resist rot, insects, and decay
- Maintain its shape and finish longer
- Require less maintenance over its lifetime

Built for Real Life

From harsh weather to everyday wear, Accoya® is made to perform. That means doors that look better, last longer, and give you peace of mind.

Want the full story
behind Accoya®?

Explore the science, testing,
and long-term performance.

Standard Construction Specifications

- Core frames are constructed using Accoya® lumber with a urethane insulated foam core. Tricoya® backer panels are pressure laminated for added strength.
- Frame overlay stiles and rails are coped and mechanically joined with hidden joinery for tight seams and are high-pressure bonded to the core frame.
- Artisan's proprietary lamination process allows the face frame and core frame attachment to eliminate exterior fastener filler marks.
- Simulated divided lites with both exterior and interior grilles have profiled edge milling for a rich, architectural look. True divided lites are also available.
- Standard glazing is double-strength clear glass.
- Bottom astragal is an EPDM rubber mounted in an aluminum retainer.

Color: Rosewood

SELECT YOUR COLOR

Artisan offers a factory-applied finish, either stained or painted.

You can choose from:

- EnduraFinish stain - 12 Artisan standard stain colors
- Sansin Enviro Stain*. For complete color selection go to sansin.com/color
- or any custom paint color - 2 coats of primer, 2 coats custom of paint color

Wire Brushed Boards

Boards can be ordered with a traditional finish or wire brushed. Wire brushing the surface of a board removes the softer pulp of the wood creating more dramatic texture.

OUR WARRANTIES

50 Year Warranty

50 YEARS - ABOVE GROUND USE

Accoya® is designed for exceptional longevity. Extensively tested and proven in demanding exterior conditions, it delivers the durability, stability, and lasting performance needed for applications where beauty and reliability must go hand in hand.

By resisting many of the issues that can affect traditional wood over time, Accoya® provides lasting confidence and reduced maintenance concerns. That is why it is backed by an outstanding 50 year warranty for above ground use.

25 Year Warranty

25 YEARS - IN GROUND OR FRESH WATER USE

Accoya® is also proven to perform in more demanding environments. Thorough testing for durability, dimensional stability, paint retention, and in-ground conditions has shown it to be remarkably reliable over time.

Its long-standing performance has made it a benchmark in the world of modified wood, giving you added confidence in applications exposed to in-ground or fresh water conditions. For that reason, Accoya® is backed by a 25 year warranty for in ground or fresh water use.

About Artisan

Since 1995, Artisan Custom Doorworks has been dedicated to crafting high-quality, custom garage doors. Based in Morgantown, Pennsylvania, we combine time-tested construction methods with innovation to create durable and visually appealing doors.

Artisan offers a variety of handcrafted designs, from classic wood doors to modern styles in composite and vinyl materials. Every door is customizable to match the character of a home while requiring minimal maintenance.

With a network of dealers across the country, we work closely with homeowners, architects, and builders to bring their vision to life. From design to installation, our goal is to provide reliable service and lasting quality.

Artisan doors are more than functional—they enhance a home's character, value, and security. Thoughtfully designed and built to last, they reflect craftsmanship and attention to detail in every aspect.
