

Product Application Guide

Wondering which garage door will work best for your home? Since not all garage doors are the same, we created an application guide that will show how both overhead and true swing doors act in several essential areas:

[Air conditioning compatibility](#) | [UV resistance](#) | [Coastal suitability](#) | [Wind load capacity](#) | [Dark color availability](#)

Overhead Doors

	Conditioned Garage	High UV (Sun)	Coastal Areas	Wind Load	Dark Colors
TimberLife Accoya	X	X	X	X	X
TimberLife Tricoya	X	X	X	X	X
Medallion (wood frame)			X		X
Medallion (insulated steel frame)	X		X	X	
Benchmark (wood frame)		X	X		X
Benchmark (insulated steel frame)	X	X	X	X	X
Symphony (insulated steel frame)	X	X	X	X	
Prelude 2 (insulated steel frame)	X	X	X	X	
Rhapsody (insulated steel frame)	X		X	X	

True Swing Doors

	Conditioned Garage	High UV (Sun)	Coastal Areas	Wind Load	Dark Colors
TimberLife Accoya	X	X	X	X	X
TimberLife Tricoya	X	X	X	X	X
Medallion	X	X	X	X	X
