ELEVATING THE GARAGE DOOR

MEDALLION

Wood Garage Doors

THE BEAUTY OF REAL WOOD

There is a depth, warmth, and character to real wood that cannot be replicated. Medallion is Artisan's premium real-wood garage door series, created for homeowners, architects, and builders who want the richness of authentic wood with the freedom of a truly custom design.

From timeless carriage-house character to clean, contemporary compositions, every Medallion door is made to complement the architecture around it—not compete with it.

UNIQUELY YOURS

Medallion is built for the homeowner who wants the natural richness of genuine wood. Each species brings its own grain pattern, tone, and personality, giving every finished door a character that is inherently unique.

Standard Stain-Grade Wood Species

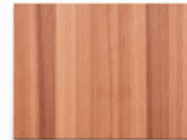

Red Grandis
a versatile hardwood with a smooth, consistent grain.

Sapele Mahogany
known for its rich color and distinctive ribbon-like grain.

Spanish Cedar
warm, refined, and naturally suited to premium exterior millwork.

Western Red Cedar
valued for its dimensional character, warmth, and classic appearance.

Custom Wood Species

Looking for something different? Custom wood species can be accommodated depending on the design, required material sizes, and availability.

FINISHING TOUCHES

Door Stops & Seals

Door stops can be purchased to match the wood species, color, and finish of your door. Seals are available in four colors to coordinate with your door and trim colors. Stops and seals provide a tight weather-resistant seal around your door opening.

Decorative Hardware

Artisan decorative hardware is a finishing touch that enhances the beauty and curb appeal of your door. Visit our website for more details about the selection of decorative hardware we offer.

Tulip Strap

Heart Strap

Bean Strap

Door Jambs

Matching wood species door jambs and casings are available to further enhance your garage door opening.

Overhead Track Options:

- 15" Radius track, 15" minimum headroom
- 20" Radius track, 20" minimum headroom
- 32" Radius track, 32" minimum headroom
- 6" Low headroom, front torsion, 9" min. headroom
- 3" Low headroom, front torsion, 7" min. headroom
